DETAILS:

The President's Foreign Intelligence Advisory Board (PFIAB) Report on the Howard case contained a recommendation that the FBI make every effort to improve its liaison with CIA.

The following is a chronology of INTD's efforts to date to improve and maintain effective and efficient liaison with CIA:

In July, 1986, Robert Gates, the Deputy Director of CIA, was invited to FBIHQ where he was furnished detailed briefings by INTD Section Chiefs, Deputy Assistant Directors and the Assistant Director.

In August, 1986, [redacted]

b3 Per CIA

[redacted] were furnished detailed briefings concerning INTD and its mission. These briefings also took place at FBIHQ.

Memorandum for The Director
RE: LIAISON WITH CIA

~~SECRET~~

Assistant Director Jim Geer has scheduled semi-regular meetings with the Deputy Director of Operations, Clair George, at which time current developments will be discussed.

As in the past, Assistant Director Geer will attend and brief the FR Station Chiefs conference which will afford him the opportunity to speak to all U. S. based CIA Station Chiefs. It is also noted that there is an on-going program wherein INTD management provides briefings to all outgoing CIA Station Chiefs at which time they are afforded appropriate information concerning INTD and the Bureau's mission. (S)(U)

(S) INTD frequently arranges briefings by CIA for outgoing FBI SACs, ASACs, and Supervisors who are departing FBIHQ for field assignments when it is likely they will have frequent contact with the CIA. Recent INTD-arranged briefings by CIA include SA [redacted] William Wells, and ASA [redacted] I. C. Smith. (S) b1 Per CIA b3

(S) Director of Security [redacted] was afforded a detailed briefing of INTD responsibilities in early September, 1986. [redacted] was briefed to emphasize the channels of communication to be used concerning possible penetration cases wherein the CIA has a staff employee who may be an operative of a hostile intelligence service. In a follow-up to this meeting, [redacted] Deputy is scheduled to meet with INTD Section Chiefs to discuss penetration cases. (S)(U) (S)

(S) INTD executives have regular and frequent contact with [redacted] the Director of CIA's Counterintelligence Staff, and [redacted] a regular flow of information is furnished to [redacted] concerning items of interest between the Bureau and the Agency. (S)(U) (S) b1 Per CIA b3

The above is set forth to demonstrate INTD's efforts to improve its liaison contacts with the CIA.

Mr. Clair George
Deputy Director of Operations

Washington, D.C.

Dear Mr. George:

CIA

As you were advised in previous correspondence, for every group which is or becomes the subject of a full Domestic Security/Terrorism investigation, the FBI, Criminal Investigative Division, Terrorism Section, will provide letterhead memoranda which will contain a descriptive characterization of each group, the geographic area in which it operates, and a summary of past violence attributed to it. Enclosed are separate memoranda outlining these elements for each such group. Although these memoranda are not classified, they do contain sensitive information. They are the property of the FBI and are being loaned to your agency for information purposes only. They are not to be distributed outside your agency.

Since the time of our last communication, the Domestic Security/Terrorism investigations of the Christian Patriots Defense League and Fugra have been closed. These investigations were closed due to the fact that no and/or insufficient information was developed pertaining to the group or its members which would have justified continuing those investigations.
